What Is EYH?

Expanding Your Horizons (EYH) is an annual conference specially designed for middle and high school girls to encourage their interest in math and science and to provide positive female role models in science, math, and engineering careers. Some 600 girls from the Livermore, Pleasanton, Dublin, and San Ramon school districts attend. For additional information about EYH, visit http://www.llnl.gov/eyh/tv_eyh.html.

Who Contributes?

The Lawrence Livermore (LLNL) and Sandia National Laboratories (SNL) co-sponsor the Tri-Valley EYH Conference under the auspices of the EYH Network, a national organization that promotes EYH conferences across the country. Many corporate sponsors and organizations donate funds, while others donate the use of equipment and/or materials. Conference presenters for the EYH programs come from all over the Bay Area. The American Association of University Women also provides numerous volunteers who assist at the conference. Local TV channels and newspapers typically cover the event.

How Can You Help?

This is a wonderful opportunity to capture the attention of hundreds of girls and positively impact their future. Opportunities to contribute to the conference are highlighted below. To sign up for any of these volunteer opportunities, go the EYH Web site listed above and click on "Be a Volunteer."

Ninety-Minute Workshops

Workshops are the heart of EYH. Four 90-minute workshops are held: two in the morning and two in the afternoon. Girls, in groups of 15–20, participate in hands-on science- or math-related activities and interact with professionals and science enthusiasts. Workshop presenters should conduct at least two sessions. You are, of course, welcome to do more. Because workshops require preregistration, the workshop schedule needs to be finalized no later than Jan. 6, 2006. For further information about being a workshop presenter, contact Sarah Roberts, LLNL, (925) 423-4112, roberts28@llnl.gov, or Kristin Hertz, SNL, (925) 294-4535, klhertz@sandia.gov

Be an INSPIRATION!

Saturday, Feb. 25, 2006
San Ramon, CA

Career/Museum Fair

The Fair runs non-stop from 11 a.m. to 2 p.m. The girls circulate throughout the Fair in four waves, 150 at a time. Tables in two large halls are set up with displays and exhibits. Fair participants talk with the girls about their career and education choices, discuss their displays, distribute brochures and freebies, and may advertise their special events. If you would like to participate in the Career/Museum Fair, contact Shellie Lima, LLNL, (925) 423-2736, lima8@llnl.gov.

Volunteers Needed

If you don't want to be a presenter but would otherwise like to help the day of the event, volunteers are always needed to assist with registration and facilities or serve as room monitors and hall monitors. Sign up on the Web or contact Sheri Ann Dante, LLNL, (925) 422-6582, dante3@llnl.gov if you have any questions.

Corporate Sponsors

Donations from corporate sponsors are greatly appreciated, whether funds, the use of equipment, or materials. Sponsor donations are acknowledged on conference literature and at the event itself. If you would like to be a corporate sponsor, please contact Jean Shuler, LLNL, (925) 423-1909, shuler1@llnl.gov.

For general questions about the Tri-Valley EYH Conference, please contact one of the conference co-chairs:
